Notre [confrère Rorate Caeli](#), blog anglophone de fidèles attachés à la liturgie traditionnelle, rapporte d'ores et déjà de nombreuses annonces de suppressions de messes traditionnelles célébrées aux États-Unis et en Australie. Rorate Caeli souhaite "compiler" toutes ces informations via son fil Twitter.

- Bp Taylor has announced all diocesan TLM's in Little Rock are to stop effective immediately. We have 2 FSSP parishes in diocese that will continue. For me, this means the Mass I regularly attend will no longer be held, and the closest FSSP is a little more than 2 hours away.
- All 4 TLM Masses outside the Personal Parish of St John Henry Newman have been cancelled in the Archdiocese of Melbourne
- At the diocese of Alexandria, Louisiana, all Latin Masses are no longer allowed.
- Masses suppressed:

- Diocese of Sandhurst, Australia:
- St Joseph's Rochester, Sunday weekly and Holy Days
 - Our Lady of the Sacred Heart Elmore, Sunday weekly
 - St Patrick's Wangaratta, Sunday weekly
 - Outgoing Bp Foys (diocese of Covington) notified the pastor of All Saints church in Walton, KY, this morning that all future TLM Masses at his parish must be abandoned
 - Suppressed Mass:
St. Patrick Church, Weston, WV
